Groups of participants

- Paralympic group;
- Open group.

Teams

1st group - Teams of the countries:

The quantity of participants from the country not limited, but is not less, than **5 persons (3 - paralympic group + 2 - open group)**

If there is a necessity for interests of a national team, the participant of paralympic groups can substitute the participant in open groups.

Individually they competes in paralympic group.

But for the team they brings items only as a participant of open group.

About replacement of the participant of open group with the participant from paralympic groups in separate competitions Janis Bergs must be informed not later than **one hour before the beginning of separate competition**, by the representative of national team.

Janis Bergs – phone: +371 29928639 or +371 27585274. The E-mail address:

orient@navigator.lv

2nd group - Paralympic teams of clubs:

Teams will be estimated only in paralympic group.

The quantity of participants from club is not limited, but not less than two paralympic participants

Summarising conditions

Programs «BALTIC CUP ' 2010», results of participants are defined according to on the bulletin separate competition.

Individual total result appreciation

In competitions **Trail – O:**

The sum of the best 4 results from 6 starts.

Total of results to process in paralympic group and separately in open group.

In competitions **TempO:**

On the sum of results two competitions.

Total of results to process in paralympic group and separately in open group.

Calculation of teams results

For 1st group:

At each stage of competitions three best results of participants from paralympic group and two best results of participants from opened group give points to the country team.

The received items of all five participants will be summarised.

The seasonal total result of the teams will be certain by the least quantity of the sum of points, separately in each stage of competitions will be estimated:

For 1st place - 1 point;

For 2nd place - 2 points;

For 3rd place - 3 points;

And. Etc.

For 2nd group:

At each stage of competitions results of two best paralympic participants give points to teams of club.

In the total result of a season will be summarised five best results from eight starts at competitions.

Points for the team results are calculated by the system as specified in the table
